

WEBMASTER'S REPORT – 2017 AGM

The screenshot shows the homepage of the Thorpe Ward Residents' Association website. At the top left is the TWRA logo. The main header reads 'Thorpe Ward Residents' Association' with a search bar to the right. Below the header is a navigation menu with links: About, News, Councillors, Subscribe, Meetings, Events Calendar, Minutes, Useful Links, Contact Us, Surveys, and Feeds. The main content area is divided into three columns. The left column, titled 'Latest News', contains two news items: 'TWRA AGM 3rd April 2017' and 'Council appealing for anybody who recognises this person.' The middle column, titled 'Welcome to the TWRA website', contains a welcome message, a photo of a church, and information about the association's history and committee. The right column, titled 'Events', contains information about the 'TWRA Annual General Meeting (AGM)' on Monday 03 April 2017.

www.ThorpeWardResidents.org.uk

- Since the last AGM a completely new website for the Thorpe Ward Residents' Association has been created along with a new Facebook Page. Nigel Robbins last year offered to redesign the website and has done exactly that for your association.
- We continue to use the free hosting service of Surrey County Council.
- We have registered TWRA with its own website name, such that if we have to move from or the SCC hosting offering stops, the same website name will apply. The website is ThorpeWardResidents.org.uk
- The website has been completely redesigned and you can find news items and contact us using the form contained on the website. We also have a meeting calendar setup and each month a reminder of our next meeting date will appear on the Home page.
- We try to keep the news items up to date and will do our best to make sure important news items are added. We also plan to add all the back issues of Thorpe Together to the website.

- A subscription form is also included on the website for members to download and send back to the Ian Patenall, your Treasurer;
- Nigel and Jon Arcay have also created a Facebook site for the association. We have done this as we know a number of you will use Facebook and will be a convenient way to send out communication, although we will obviously continue to do the mailshots of important news. Please Google "Facebook thorpewardresidents" and we are the top link.
- As part of the redesign we 'sharpened up' the TWRA logo, with the help
- Over the next year, please kindly keep an eye on the website and Like us on Facebook.
